Report on Online Certificate Course '**Commerce Excellence Level I/II/III**'

The Department of Commerce Conducted Online Certificate Course '**Commerce Excellence Level I/II/III**' from 06/05/2022 to 22/05/2022 for 02 Credits at each Level. As per the curriculum given by SPPU, 08 extra credits are required for students to complete their graduation. With this view, the Department of Commerce made this course compulsory for all the students of F.Y./S.Y./T.Y.B.Com. The subsequent meetings were conducted by the department regarding forming various committees, designing and scrutinizing the syllabus, and enrolling students' names for this course. The designed syllabus was apart from the syllabus prescribed by SPPU. The main objective behind structuring such type of syllabus was to provide extra knowledge of the subjects to students. The syllabus of this course was based on seven subjects. The specialized teachers taught this syllabus during the course.

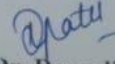

This course received overwhelming responses from Commerce students. A total of 1980 students enrolled their names for this course whereas 1937 students gave the test based on this course at the end. Out of these numbers of students, around 280 to 370 students from each class actively attended the lectures during the course. Since this course was free of cost, the actual attendance for lectures of students was not satisfactory. It would be a kind suggestion from the organizing team that if the college charges a minimum fee for this course it will be helpful to bring awareness about such types of courses to students.
