

The governance of the institution is reflected

Vision: To develop and evolve as dynamic center of higher education imparting knowledge and ethical values to create competent self-reliant and socially responsible citizens.

Mission: To provide better educational facilities to those who are educationally, socially and economically backward and make them economically and socially independent to enable them to contribute towards national integration

The Institute has worked for the upliftment of the masses. The percentage of students belonging to economically and socially weaker sections is higher in the college. The college works on the basis of inclusive education i.e. education to all, the college extends all facilities to the students belonging to socially & economically weaker section students. The scholarships and free ships provided to these students for last 05 years explain the financial assistance provided by the college to these category students.

The governance is in accordance with the vision of the college. I.e. to make the students empowered for their career and future growth. The mission of the college is to provide the quality education to the students and all class of society in general and to the deprived of classes in special. The college also conducts the remedial courses for the weaker students in the college especially in the subject of English, Economics & Accountancy and Mathematics. The college provides books to the students from library. The students are also encouraged to participate in N.S.S., N.C.C. & Sports so that the moral values, ethics & such skills required for personality development can be inculcated. Our performance in the NCC, NSS & Sports is self-explanatory. Further the students participate in the cultural program, including oratory, debating competition, drama, group discussion, essay writing through which the students are gaining the requisite skills for their own departments & achievements in their respective life. Our separate section of student welfare makes student available the small type of subs & they are paid as per the rules of Savitribai Phule Pune University from time to time. Our track record in the area of NCC, NSS, Sports & student Welfare has been excellent. So in such manner the governance & leadership work in accordance to Vision & Mission

B) INSTITUTIONAL VISION AND LEADERSHIP.

- a) Shri Shivaji Maratha Society is established in the year 1918 & is celebrating its century year during the year 2017-2018. The main objective of the Society is upliftment of the masses. The educations to

all and especially to those who are from economically and socially weaker class of the society presently in Pune city the students from this category are not getting chance for admission to higher studies. Our college has an objective to provide education to this class of the society as it is our social responsibility. Taking into consideration we make our admissions more on the basis of social aspects without compromising the quality of education. As far as our mission statement is considered it is stated as under. (INCLUDE THE MISSION STATEMENT).The future of the educational institution should have relevance with the changing need of the society and its relevance to the present global scenario.

- b) The top management regularly undertakes the review of working of the College in its Executive council meeting & Working Committee meeting. The Necessary guidance and directives are issued through these meetings. Periodical review is undertaken by the top management. The budget is prepared prior to the commencement of the academic year and is approved by the Management. So there is a good support from the management relating to the Implementation of the program. The principal and faculty work in the direction of attainment of the objectives specifically designed to attain quality teaching and learning aspect of the college. The concentration is given on regular Lectures conducted by the staff, timely completion of the syllabus, guidance for better performance in the examination and providing best possible teaching learning environment. This is attained by regular meetings of the department, of the staff member conducted by the principal from time to time. The motivational aspect for staff to get completed by the staff. The participation of the Students in sports, NSS, NCC, Extracurricular activities are motivated in order to attain overall development of the students. The science department has actively participated in project competitions and Avishkar competitions where the college has received the awards. The staff and the principal takes due efforts to motivate the student in these participations. The ecommerce PG students are also to prepare the projects the faculty members of this department assist and guide the students in undertaking the research work. The faculties through its various committees try to motivate the student to take part in students welfare program by means of earn and learn scheme. The

cultural committees promote to the students to actively participate in drama competitions and Debating & oratory competitions outside the college in various competitions. Thus the college works with the aim of attaining the academic excellence through Quality education and inculcating all possible soft skills in the personality of the students. The college plan for all such implementation through its academic calendar and the regular feedback from the students and the staff members also. Thus the role of management is very positive and forward looking. With the aim of providing best possible education within the given limitations the College work for attaining the academic excellence.
