

## **Stakeholders Feedback Report**

The admission procedure is preplanned and well executed by the college. It provides first preference to students belonging to weaker sections and those who deserve best education. The college has a reliable feedback mechanism which analyses various feedbacks from students, parents and alumni. They discuss various issues related to academic, infrastructural and other activities.

The committee looks after various facilities provided in the college for student's welfare. It includes provision of Canteen facility, drinking water, sanitization facility, adequate textbooks and reference books in the library etc. Any issue regarding the students, parents, alumni is discussed in the meeting and appropriate action is taken immediately for it.

The college looks after the overall development of students in all aspects of life. The overall working of the college is satisfactory.

Dr. B. G. Chaugule

Principal,

Adhyapak Mahavidyalaya,

### **Employer's Report**

The "Shri Shivaji Maratha Society" is the managing body of the "S.B.B alias Appasaheb Jedhe Arts, Commerce and Science College". The Society initiates all possible help and assistance for the development of our college since its establishment.

Taking into consideration the strength of students and teaching learning environment is satisfactory. The faculty members of college have acquired prescribed qualification as per rules.

The Arts and Commerce college is grantable and Science and Computer Science faculties are on non grant basis.

The College has following features :

They are related to resourceful generation of the teaching-learning environment.

- 1] All the faculties have acquired requisite qualification.
- 2] The College has well designed teaching learning plan to provide better educational atmosphere.
- 3] The college provides better scope for taking part in N.S.S. ,N.C.C. , and Sports Activity.
- 4] The College has conducted well planned seminars at National and State Level. The participants from various colleges attended and participated in the seminars.
- 5] The teachers are working on the various committees designed for specific purposes. The committees are designed in order to work for better development of student.
- 6] The sports activities are conducted by college and students have participated and also win good numbers of prizes in various events.
- 7] Cultural programs are organized by the college cultural committee.
- 8] The activities are conducted in order to highlight national event.
- 9] The College has majority of the students from economically and socially backward class communities. As the college believes in inclusive education all possible assistance is extended to these students. We observe zero tolerance in accordance with the discrimination on any ground. The Government scholarships are made available to all students from socially backward communities and the E.B.C. facility to the economically backward class category students.
- 10] The students are provided with library facilities to avail the books on various subjects.

To conclude, our college has good potential for development of the students, we are to bring new vision of education in changing era.

  
Dr. S.K. Pole
